

## TSP MAKE-UP CONTRIBUTION REQUEST

Name:\_\_\_\_\_ Rank:\_\_\_\_\_ SSN:\_\_\_\_\_  
Technician Unit:\_\_\_\_\_

You may make up contributions to your civilian TSP account for the period of time you missed as a result of your military service. The amount of these contributions will be determined by your TSP contribution election that was in effect immediately before your entry into military service.

If you contributed to the TSP during your period of military service, the amount of employee contributions that you may make up must be reduced by the amount of the employee contributions you made to your uniformed services account. (Contributions to your Civilian TSP will be offset by the amount contributed to your Military TSP.)

For FERS employees, you will receive attributable agency matching contribution as you make up employee contribution. You will receive Agency Automatic (1%) Contributions for the entire period missed as a result of military service whether or not you make up employee contributions.

You must request in writing to make up TSP contributions **within 60 days** of returning to technician status.

Initial all that apply:

\_\_\_\_\_ I am requesting to make up my missed TSP contributions due to military service.

\_\_\_\_\_ I contributed to my Military TSP (TSP-U) account during my period of military service. **\*\* (Please attach a copy of EACH Military LES showing contributions to your Military TSP account during the period of LWOP – US.)**

\_\_\_\_\_ I did not contribute to my Military TSP (TSP-U) during my period of military service.

Signature:\_\_\_\_\_ Date:\_\_\_\_\_
